# DISCOVER THE ISLE OF WIGHT... WHERE THE HOLIDAY STARTS BEFORE YOU ARRIVE

*The Island is quick to reach from Lymington, Southampton, Portsmouth or Southsea, with a journey that is easy and enjoyable. Discover the Isle of Wight by train, car ferry or hovercraft*

## SOUTH WESTERN RAILWAYS

It takes around 90 minutes from London to mainland ports for the Isle of Wight. It's simple and relaxing to take the train. Multiple connections, modern carriages and regular services make travelling to the Isle of Wight easy.

## WIGHTLINK

from Portsmouth or Lymington

It takes just 22 minutes by FastCat passenger catamarans and from 40 minutes by car ferry to cross the Solent with Wightlink.

You can choose from three routes:

- Portsmouth – Fishbourne car ferries.
- Lymington – Yarmouth car ferries.
- Portsmouth Harbour – Ryde Pier Head.

Wightlink's Portsmouth Terminal is adjacent to Portsmouth Harbour railway station and the national and local bus interchange, offering fast, easy connections to the whole of the UK. The terminal is also easily reached from London via the A3.

Wightlink has invested £45million since 2016 in a new environmentally friendly hybrid energy flagship for the Portsmouth-Fishbourne route.

The Lymington to Yarmouth car and passenger ferry route is Wightlink's most scenic ferry crossing and at just 40 minutes, it's also the shortest and fastest car ferry route to the Isle of Wight.

## RED FUNNEL

from Southampton

Red Funnel operates more than 35 ferries to the Isle of Wight every day, from their Southampton terminal, with crossing times as short as 23 minutes for the Hi-Speed Service. You can choose from two routes:

- Southampton – East Cowes car ferries.
  - Southampton – West Cowes Red Jet hi-speed services.
- Southampton has excellent road, rail and coach connections from all parts of the UK. Direct domestic and European flights operate into Southampton Airport and the city is the country's No. 1 port for cruise ships. The Red Jet Hi-Speed service for foot passengers is fast and efficient and is the quickest route between London and West Cowes by train. Red Funnel has pledged to reduce its environmental footprint by tackling air pollution, single-use plastics and wasteful packaging, whilst supporting greater recycling and a host of sustainable travel initiatives.

## HOVERTRAVEL

from Southsea

Hovertravel provides the fastest Isle of Wight ferry route across the Solent and is the world's only all-year-round passenger hovercraft service. The passenger ferry service takes you directly from Southsea to the shore at Ryde in just ten minutes. Hovertravel provides a Hoverbus service which connects with the Hovercraft at Southsea and conveniently takes passengers to and from Portsmouth Harbour, The Hard and Portsmouth and Southsea train stations. There are also large car parks at the terminal, coach parking nearby and National Express and Lucketts coach stops opposite the terminal. # ISLE OF WIGHT BEACHES

*Isle of Wight beaches are recognised as being some of the best in Europe*

With contrasting landscapes and an ever-changing coastline the Isle of Wight has some of the best and most varied beaches in the country.

With 57 miles of award-winning sand and shingle beaches, rugged cliffs, hidden coves and clear waters, a trip to the beach is an essential part of any visit to the Island.

The Island currently has the highest number of award-winning beaches in England, all managed to the highest standards and inspected daily.

One of the advantages of being surrounded by water is that wherever you are the beach, the sea is never too far away.

As one of the UK's best known seaside resorts, the Isle of Wight effortlessly delivers the traditional beach holiday experience of deckchairs, sandcastles and seafront amusements.

The award-winning beaches of

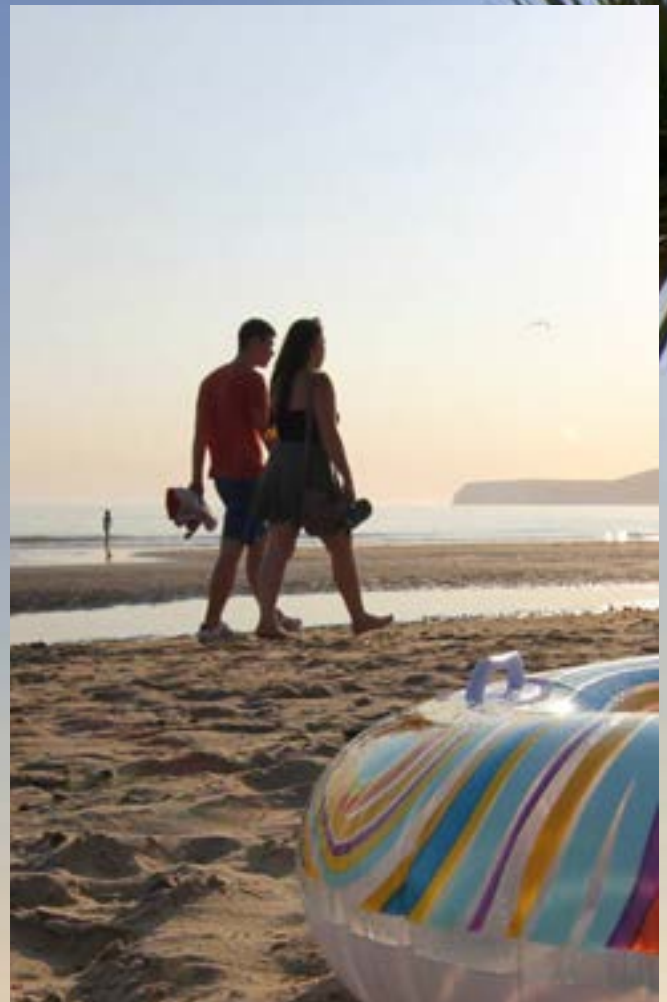

Shanklin, Sandown and Ventnor all have very popular esplanades with a great selection of cafes, shops and facilities to enhance your day at the beach.

Ryde and Appley offer the largest stretch of open sands, perfect for games and activities, with great views back across The Solent to the mainland.

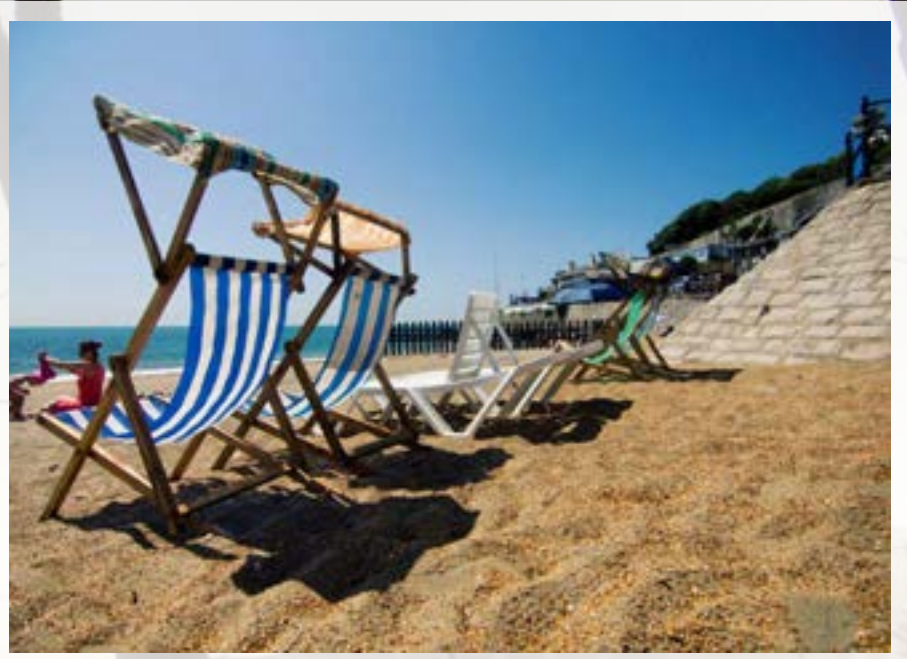

While a beach holiday is often associated with good weather, the Isle of Wight benefits from an all year round appeal.

During the autumn and winter months walks along our rural beaches are especially popular, as they provide some of the best landscapes and views of the Isle of Wight's Area of Outstanding Natural Beauty.

Neighbouring beaches Compton Bay and Brook both offer sandy shores with easy access to the coastal paths, and further round the West Wight coast is the picturesque Colwell Bay.

# DISCOVER THE ISLE OF WIGHT FOR AN ACCESSIBLE HOLIDAY, DAY VISIT OR SHORT BREAK

---

For most of us going on holiday is easy but, if you are a wheelchair user, find it difficult to get about or have additional needs, then it can be hard to find travel options, accommodation and activities to suit you.

With this in mind, here are some information and ideas to get you to the Island and to make sure you have a great time.

Whether you choose to come by ferry or hovercraft, both these options have passenger assistance available, accessible toilets on board car ferries and lifts which can accommodate wheelchairs.

Red Funnel, Wightlink and Hovertravel all request you book 48 hours before travelling if you are disabled and will need assistance or hold a blue badge (required by marine law).

If you are travelling on the Red Jet, you should bear in mind that due to tide dif-

ference throughout the day, the passenger gangways can be steep.

Once you are on the Isle of Wight you'll find that, if you're a driver, there are plenty of disabled spaces to park in at all the main Island attractions, car parks, supermarkets and most pubs.

If you're travelling on public transport, the Island bus company, Southern Vectis, can accommodate wheelchairs and approved mobility scooters, although it is at the discretion of the driver as to whether there is the necessary space on board for mobility scooters.

The Isle of Wight has a huge range of holiday accommodation with everything from chalets and cottages to country parks and caravans many of which have accessible friendly features but you should enquire at the time of booking to see if the facilities will be suitable.

# DISCOVER THE ISLAND ON FOOT

---

Did you know that walking is not only good for the body and your general fitness, but also good for the mind and for the soul?

The Japanese are great believers in walking as a balm for life and here on the sunny Isle of Wight we've got more than 500 miles of paths for you to choose from.

There's so much varied countryside and coast to choose from around the Island that you'll be spoiled for choice and you can access pretty much every nook and cranny.

If it's fields and forests you're seeking to meander through, or rugged chalk downs, or the 64 miles of coastal paths which take you to dramatic cliff tops, rocky coves and estuaries, then the Isle of Wight is the perfect walker's paradise.

A festival of walking

If you like your walk to be

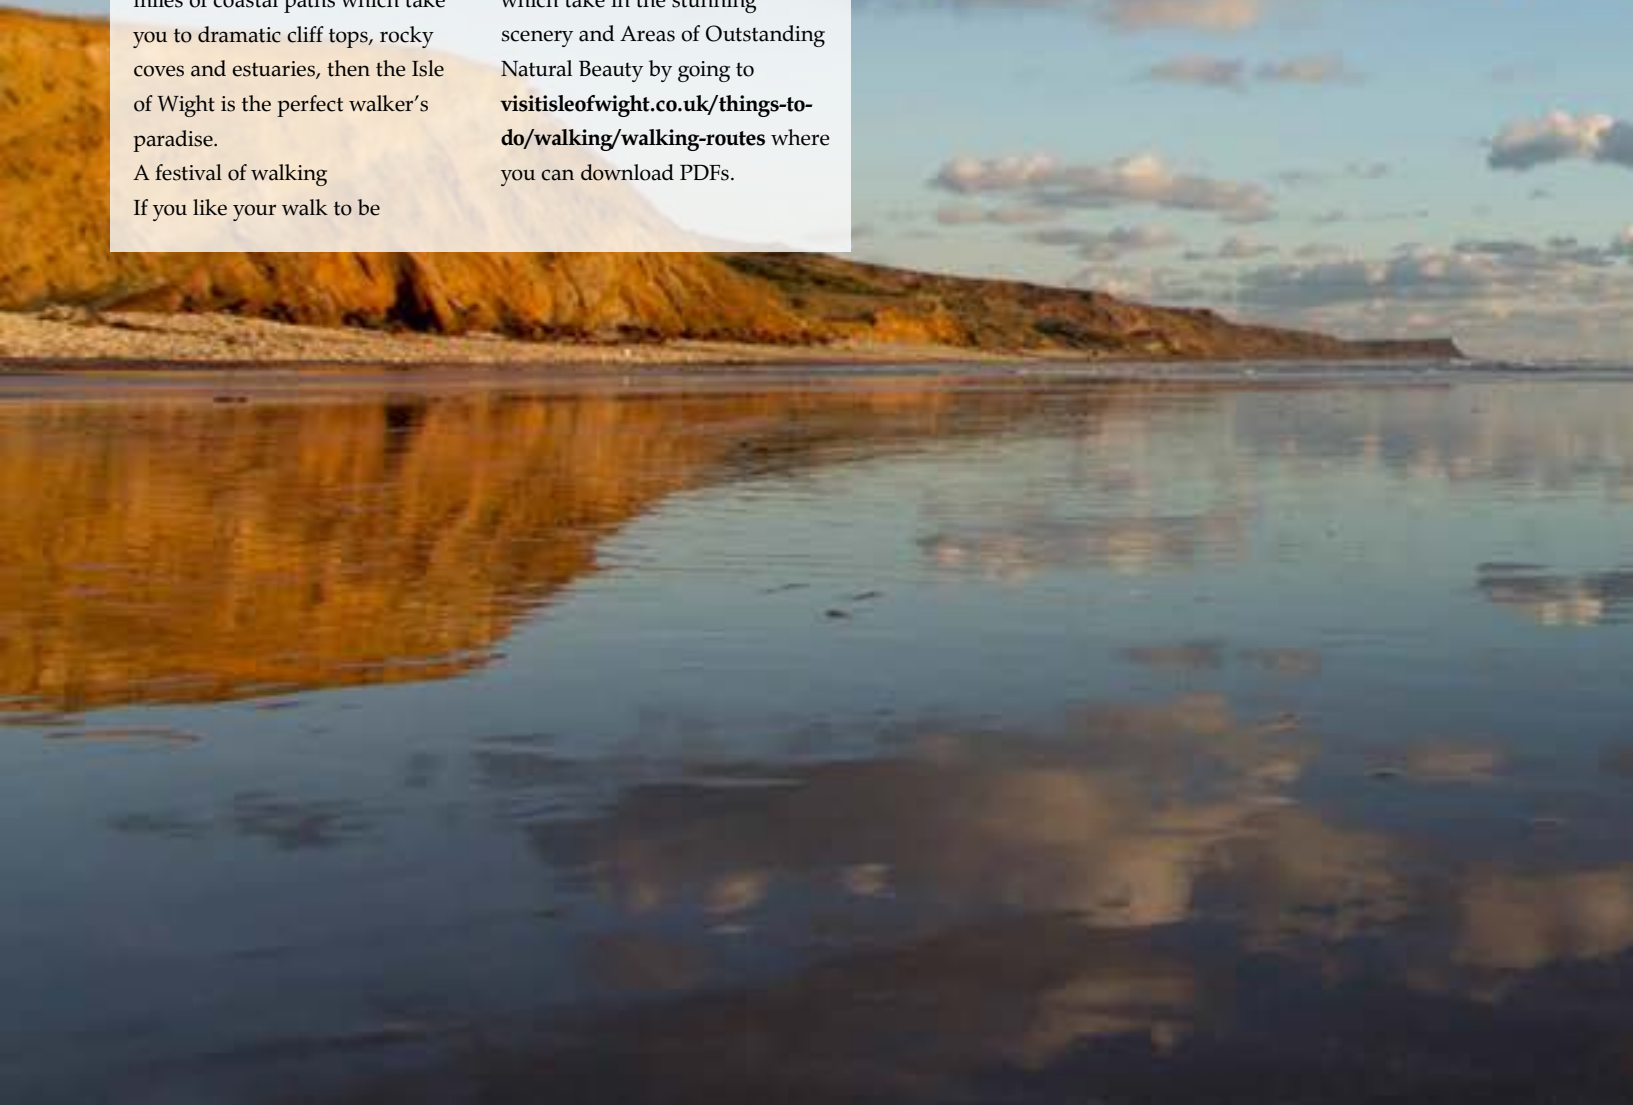

organised with a designated route then look out for the 2019 Isle of Wight Walking Festival in May, sponsored by Warner Leisure.

With walks for all ages and abilities and with walkers joining from far and near, enjoy the best of what the Island has to offer with stunning scenery, picturesque villages and the chance to walk from the chalky cliffs of the West Wight to the green rolling hills of the east.

Whatever countryside or coastal trail or path you're after, you'll find it here.

# DISCOVER THE ISLAND... BY SEA

If you ask anyone with a keen interest in sailing, you can bet they have heard of The Solent and the Isle of Wight.

Separating the Island from the mainland, The Solent stretches for 20 miles and is one of the busiest stretches of water in the world, serving as a major shipping lane, as well as a hub for watersports.

Many people choose to head over using the excellent ferry connections, but equally, some people like to make their own way over, sailing in by wind or the power of their motor yacht.

If you have the nautical know-how, the Isle of Wight is one of the best places to sail to, offering a warm welcome all year round.

The most famous nautical town, Cowes, is

the mecca for all things sailing and is home to the Royal Yacht Squadron, founded in 1815.

Known the world over for its racing heritage, the very first America's Cup was held here in 1851 and is still the biggest race of the international nautical calendar to this day.

The annual Round the Island Race attracts more than 1,600 boats each June, from amateurs to famous faces, while Cowes Week itself is one of the UK's most successful sporting events and has been held here in early August since 1826.

Why not try viewing the Island from the sea?

You can go on an organised boat tour or hire sea kayaks, RIBs, dinghies or even a yacht.

# ISLE OF WIGHT AREA OF OUTSTANDING NATURAL BEAUTY

THE ISLE OF WIGHT HAS A RICH VARIETY OF DISTINCTIVE LANDSCAPES WHICH IS OFTEN DESCRIBED AS LOWLAND ENGLAND IN MINIATURE. TAKE TIME TO EXPLORE THE WILD AND VARIED TERRAIN IT HAS TO OFFER

The Island's landscape and coastline offer fantastic experiences of dramatic cliffs, long and hidden beaches, quiet estuaries which are a haven for wildlife, gently rolling patchwork fields with secret woodlands, open chalk downs and stunning views across the Island's countryside and coast.

In 1963 half the Isle of Wight was designated an Area of Outstanding Natural Beauty (AONB).

This was undertaken to ensure that one of England's finest landscapes is conserved and enhanced for future generations to enjoy.

# CARNIVAL ISLAND

Each major town hosts a carnival procession or two, with plenty of colourful frivolity as a stream of floats makes its way through town. Thousands of onlookers line the streets to catch a glimpse of Rio on the Isle of Wight. Floats were hugely varied and carry pageant

queens, local community groups and even pets in fancy dress!

As well as being quite a spectacle, the Isle of Wight carnivals have their own claim to fame, as the town of Ryde hosts the oldest carnival in the UK!

# DISCOVER THE ISLAND... BY BIKE AND FOOT

THE ISLE OF WIGHT WAS RECENTLY RATED AS ONE OF THE WORLD'S TOP CYCLING DESTINATIONS BY LONELY PLANET, AND AN EXCELLENT NETWORK OF CYCLEWAYS AND RAIL TRAILS LINKS UP MUCH OF THE ISLAND

If you prefer two feet, as opposed to two wheels, you'll love the quiet country lanes and miles of footpaths and bridleways of the Island.

The Isle of Wight is an ideal destination for an active short break.

Within an area of just 147 square miles, you will find more than 200 miles of cycle routes enticing you into the countryside or along the coast.

The majority of the cycle routes are off-road, which makes cycling a safe option for all the family.

Bringing your bike to the Island is really easy. You can hop on the train and head down to Portsmouth, Southampton or Lymington and your bike goes for free on all routes. You just pay the passenger fare. The bike will be safe on board while you cross The Solent ready for your bicycle Island adventure.

The Island is well known for the quality of its walking and there are more than 500 miles of footpaths on the Isle of Wight, many of which feature superb views over the coast and countryside.

The Isle of Wight Walking Festival celebrates its 21st anniversary in May 2019.

There are more than 90 guided walks, most of which are free and allow you to get up close and personal with the best of the Island's stunning scenery and discover some hidden gems along the way.

In just one day of walking you could see the very best of the English countryside, from sand dunes and pebbly coves to thatched villages and bustling sailing towns. You can find out more and reserve your walk at [www.isleofwightwalkingfestival.co.uk](http://www.isleofwightwalkingfestival.co.uk).

New for 2019 is *The Slow Travel Guide to Wight*.

*The Slow Travel Guide* will launch in March and is a collection of eight routes around the Island which can be explored by a combination of bus, walking and bicycle.

The routes will be available online and feature food and drink, farm shops, artists and craftspeople as well as places of interest, including some lesser-known rural gems.

Find out more at

[www.slowwighttravelguide.co.uk](http://www.slowwighttravelguide.co.uk).

# TRAVELLING AROUND THE ISLAND SUSTAINABLY

GETTING AROUND THE ISLE OF WIGHT SUSTAINABLY COULDN'T BE EASIER, WITH A RANGE OF OPTIONS AVAILABLE TO HELP YOU COVER EVERY INCH OF THE 23 X 13 MILES OF THE ISLAND

## BY FOOT

There are more than 500 miles of public rights of way to explore on the Island, and going by foot gives you some of the best views over the coast and countryside.

The Isle of Wight is a walker's paradise, filled with footpaths across contrasting landscapes and beaches, making it the ideal place for a walking holiday or break.

This extensive network of footpaths can take you from a gentle meander along rural tree lined paths to longer challenging hikes. The Isle of Wight's varied countryside includes fields, forests and woodland, providing the perfect complement to our 64 miles of coastal paths which cover rocky coves, estuaries, and dramatic cliffs. So put your best foot forward – you're never far from a secret cove or enchanting village.

## BY BIKE

The Isle of Wight was recently voted as one of the world's top cycling destinations by Lonely Planet, and an excellent network of cycleways and rail trails links up much of the Island. "Bicycle Island" is a great place for a cycling holiday. There are cycling routes to suit everyone, with a choice of challenging off-road bridleways, peaceful byways and level tracks on former railway lines.

Within an area of just 147 square miles you will find more than 200 miles of cycle routes enticing you into the countryside or along the coast.

Cycles can be hired from a number of different outlets throughout the Island and there are companies that are able to offer a delivery service to your ferry port or accommodation, and guided rides.

**BY BUS**

You'll see Southern Vectis buses wherever you go. There are 16 regular routes in operation connecting most parts of the Island. Regular buses run between the main towns and resorts until very late at night, with services to rural areas operating throughout the day. The bus service operates 365 days a year. Bus stops are easily accessible from the ferry terminals.

**BY TRAIN**

The Island Line train service operates from Ryde Pier Head. It connects the towns of Ryde, Brading, Sandown, Lake and Shanklin. The trains link up with both Ryde passenger ferry services. You can buy a through-ticket from London Waterloo to any station along the Island Line network which will include travel via either of the foot passenger ferry services. The line is operated by South West Trains so any discounts which apply on their network are also valid on the Island Line and connections. The carriages might look familiar – they are former London Underground electric trains.

# USEFUL INFORMATION

Quality is equally as important for us as it is for you and therefore most accommodation featured in this guide has been quality graded by either Visit England or the AA. Please be aware that gradings may change during the life of this guide and therefore it is advisable, before booking your accommodation, that you contact the establishment to clarify the current grading status or contact the grading authorities direct by visiting [www.qualityintourism.com](http://www.qualityintourism.com) or [www.theaa.com](http://www.theaa.com).

There are two National assessing bodies – Visit England and the AA

Both work to National Quality Assurance standards and use independent assessors.

## ACCOMMODATION RATINGS MADE EASY

- ★ Simple, practical, no frills
- ★★ Well Presented and well run
- ★★★ Good level of quality and comfort
- ★★★★ Excellent service throughout
- ★★★★★ Exceptional with a degree of luxury

These quality ratings indicate the overall accommodation standard, cleanliness, ambiance, hospitality, service and quality of food. Generally the higher the star rating the higher the quality.

Star Ratings are also accompanied by a category which describes the assessment criteria and includes Hotels, B&B's, Self Catering, Hostels and Holiday Parks.

## HOTELS

Hotels must be licensed, offer dinner at least five nights a week and all rooms must be en suite or have a private bathroom. Hotel categories include:

### HOTELS

### SMALL HOTELS

Have a maximum of 20 bedrooms and are likely to be more personally run.

### COUNTRY HOUSE HOTELS

Have ample grounds or garden, in a rural or semi-rural location, with an emphasis on peace and quiet.

Other categories are Town House Hotel and Metro Hotel.

## GUEST ACCOMMODATION

Star ratings for Guest Accommodation reflect the visitor expectations of this sector, where quality is seen as more important than facilities and services.

Higher star ratings are achieved by providing certain additional facilities and services. Guests Accommodation Categories include:

### GUEST ACCOMMODATION

This category encompasses anything from one-room B&Bs to the larger places found in our coastal resorts which may offer dinner and may be licensed.

### BED & BREAKFASTS

Accommodate no more than six people. It's like staying as a guest in someone's home.

### FARMHOUSES

Offer bed and breakfast and sometimes dinner, always on a farm.

### GUEST HOUSES

Tend to have more than three bedrooms and may offer dinner to their guests. Some may be licensed.

### INNS

Are pubs with rooms which serve food in the evenings as well as breakfast.

## SELF-CATERING

Self-catering accommodation is assessed on layout, design, quality and range of kitchen equipment, quality and comfort of the bedrooms and bathrooms and cleanliness. Categories include Self-catering, Serviced Apartments and Approved Caravan Holiday Homes.

### HOSTELS

Star rated accommodation often in shared rooms with bunk beds. Predominately group bookings only. May be fully serviced or Self-catering.

### HOLIDAY, TOURING AND CAMPING PARKS

Ratings are awarded for the overall quality, with five stars being reserved for parks of exceptional quality. The categories include Holiday Park, Holiday Villages, Touring Park and Camping Park.

NB. The AA award Pennant ratings rather than ►►► stars.

VISIT BRITAIN

# HOLIDAY PARKS AND CAMPING

In farmland and coastal settings, near shops and towns, there is a wide variety of Isle of Wight holiday parks and caravan parks, perfectly suited for families or couples. You can choose from parks with traditional chalets and holiday caravans, many of which have an extensive list of facilities. Come rain or shine the parks are well prepared, offering both indoor and outdoor activities, allowing no time for boredom! Along with swimming pools, sports facilities and entertainment, many offer amenities such as convenience stores, bars and eateries. If you are looking for a family holiday or would just like the freedom to come and go as you please, Isle of Wight holiday parks are an ideal base to explore the rest of the Island.

Camping is one of the best ways to experience the Island and, with over half the Island designated an Area of Outstanding Natural Beauty, it's an ideal place to get close to nature. For quiet relaxation there are camping sites, where you'll find a choice of footpaths leading through fields, farms and woods. If you prefer a few more home comforts why not opt for glamping in a yurt, complete with woodburning stove and shower room? If you prefer a livelier holiday, many caravan and camping sites are within easy reach of the main resort towns and beaches and some are part of a larger holiday park complex, where campers can enjoy the benefits of additional facilities.

Heathfield Farm Camping is a small family run park in the rural West Wight on the outskirts of Freshwater village. Less than two miles from Yarmouth ferry port, we are situated in the heart of the most magnificent walking countryside, with easy access to public transport. The park is level and has 75 generously spaced marked pitches. The separate playing field is ideal for ball games and has two barbecue areas with picnic tables. Kids wooden play area. Bus stop outside park. Wi-fi access. Open from May - September.

Relax and enjoy a visit to our picturesque family run holiday park, which was originally part of the grounds of an historic house. We reside within 14 acres of tranquil, unspoilt countryside, a perfect retreat for all the family. We are ideally situated for local attractions and the glorious beaches of Shanklin, Sandown and Ventnor.

The walled orchard designed by the famous architect Capability Brown, contains our 40 static caravans, and still maintains its old world charm. It is also traffic-free, making it completely safe for children.

There are 2 and 3 bedroom static caravans, gas and electricity is included in the price, bed linen is not supplied, but is available to hire. We also have two 3 bedroom centrally heated apartments and a 2 bedroom Orchard Lodge.

(Dogs are permitted in certain units).

Our Touring, Motorhome and Tenting pitches are now booked directly through Red Funnel holidays. For more information please visit :

The toilet block is built to a high specification with modern washing facilities, complete with free showers, hand & hair dryers and a separate washing up area. The access friendly room is situated within the same complex.

The park is rich in wildlife, and is an ideal spot for bird watchers, horse riding or golfing, we are also a superb base for walkers and cyclists, as you can access footpaths and cycleways within minutes. We also provide a tranquil area for relaxing, picnicking, nature watching and recreational activities.

The outdoor heated pool with combined Toddlers' pool is open from Whitsun to early September and is overlooked by the bar and lounge area.
